

Princeton Center for Theoretical Science presents
Third Annual PCTS Lecture Series, 2013

Professor Ignacio Cirac

Director of the Theory Division
Max-Planck Institute for Quantum Optics, Garching

Schedule of Events

Seminars:

4 March

2:30 pm

Room 407 Jadwin Hall, PCTS

***“Bulk-Boundary Correspondence in Lattice Systems: a
Tensor Network Approach”***

6 March

1:30 pm

Room 407 Jadwin Hall, PCT

“Quantum Memories: Robustness and Applications”

PCTS Lecture and Physics Colloquium:

7 March

4:30 pm

Room A-10 Jadwin Hall

***“Dissipation as a New Tool in Quantum Information
Science”***

Lectures supported in part by the Dept. of Physics
