Princeton Center for Theoretical Science presents
Fourth Annual Visiting Lectureship Series, 2014
Professor Michael E. Peskin
SLAC National Accelerator Laboratory, Stanford University

SLIDES

Seminars:
1. SLIDES
   What is a "Composite Higgs" model?
   4 March; 2:00 pm

2. SLIDES
   Five-Dimensional Models with Composite Higgs
   7 March; 1:30 pm

3. SLIDES
   Composite Higgs and Naturalness
   10 March; 2:30 pm

Physics Colloquium: SLIDES
"Beyond the Higgs Boson: Further questions and expectations for the Large Hadron Collider"
March 6; 4:30 PM

Public Lecture: SLIDES
"The Top Quark: subatomic Thor, or just another heavy?"
March 13, 8:00 pm
