Dear PCTS Workshop Attendee,

As you know, you have registered to attend the PCTS workshop, *Physics for Neural Networks*, scheduled for April 17-19, 2023 in Room 407 Jadwin Hall, at PCTS. We are writing to let you know that we will be including a poster session on the schedule and the draft agenda is attached.

If you would like to present a poster, please email the title to me at cborsack@princeton.edu no later than April 10 at 5:00 pm.

Here are some more details and instructions about the posters:

- Your poster should be **no larger than 30 x 40 inches**. You can display the poster in either orientation: landscape or portrait.
- We do not have printing facilities so make sure you bring your poster with you and it is ready for display.
- We will not pay for your poster to be printed.
- We **will** provide easels, poster boards, pushpins and clips.
- There are no assigned locations for your poster. Simply display your poster on any empty easel.

We will be [live streaming](#) the talks, and recording. All workshop information is posted on the PCTS [website](https://pcts.princeton.edu/events/2023/physics-neural-networks) at <https://pcts.princeton.edu/events/2023/physics-neural-networks> and will be updated as needed.

If you have, any questions please feel free to contact me at cborsack@princeton.edu. We hope you will submit a poster, and we look forward to seeing you at the workshop in April. Thank you.
